VSFA is your association, staff & members are here to help you in many ways and we are always evolving.

- Connect with fellow members using our Listserve. Your message will go out to all of membership. You can also view past postings for relevant information and choose how often you receive messages from fellow members. This should be used to post inquiries and interesting information your fellow members can benefit from or assist you with. *This should not be used to solicit members or as a sales tool.*
- Connect with fellow members & potential clients: by mail by requesting a complete member address list, at a networking event or through VSFA facebook & VRGA twitter.
- As a member you can manage your own business page on vermontspecialtyfoods.org. You can add an image, associate your listing with searchable categories, update your contact information, business description and add events or recipes. **We recommend doing this as soon as you receive your username, password & login instructions in your welcome packet.**
- Reach members & potential clients by advertising in the monthly *Food For Thought* e-newsletter, on our website or by sponsoring an event.
- Be a speaker or suggest to us a topic you would like to see offered at an event or as a webinar.
- Use the VSFA logo to show potential clients that you are part of a larger network that has been around for 30+ years and continues to grow. **Let us know what file format you need.**
